

Permanent Makeup Treatments

POWDER BROWS

A technique that helps clients achieve more of a powdered or ombre look instead of individual hair strokes. They have soft makeup look and work great with all skin types.

2-3 hrs - \$500 + taxes

LIP BLUSH

A treatment that enhances the natural shape of your lips and giving them that boost symmetry and color. The bodies natural reaction to lips micropigmentation is producing collagen, making your lips appear fuller by naturally simulating collagen production.

2-3 hrs - \$500 + taxes

TOUCH UP

Touch up procedure is required for all services from 6-12 weeks after initial procedure. After 12 weeks it will be considered a new procedure

1-2 hrs - \$150 + taxes
